# FINANCIAL RESPONSIBILITY

I understand when I register for classes at School of HIM that I accept full responsibility to pay all tuition, fees and other associated costs as a result of being a student. My signature on the application is my agreement that I will pay for these costs by the assigned due dates. I will not receive any report card, transcripts, or certificates of completion until all student balances are paid in full. At the time your tuition becomes current these items will be issued.

If I can no longer attend classes, I am responsible for withdrawing from School of HIM. If I withdraw from the School of HIM, I will not receive any refund after the second week of classes. If you submit a withdrawal before the completion of the second week, you will receive a refund of your tuition, minus \$100. I have read the terms and conditions of the School of HIM Financial Responsibility and I understand these terms. I further understand my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

If at any time your tuition is 60 days past due, you will be dismissed from the school. If the entire balanced is paid in full, the Dean will review your return on an individual basis.
